Respected Sir / Madam:

Subject: Disclosure on impact of CoVID-19 pandemic on the Company under Regulation 30 of SEBI (LODR) Regulations, 2015

Pursuant to regulation 30 of SEBI (LODR) Regulations, 2015 read with SEBI Circular Number SEBI/HO/CFD/CMD1/CIR/P/2020/84 dated 20 May 2020, please find brief details relating to the impact of the COVID-19 pandemic and resultant lockdown, on the operations of the Company as follows:

a) Impact of the CoVID-19 pandemic on the business:

The operations of the Company were largely affected during the first lockdown announced by the Government of India to control the spread of Corona virus, mainly due to disruption of public conveyance, logistic and other related services. Thereafter with gradual restoration of services, there is recovery in business operations. The Company's manufacturing operations have been partially functional since 28th March, 2020 with the permissions of the State Government – Collectorate office, well with the functioning guidelines issued by Ministry of Home Affaire (MHA).

b) Schedule, if any, for restarting the operations:

The Company falls under the category of "Essential Services Provider" as notified by the Government of India. As stated above, our business operations have restarted.

c) Ability to maintain operations including the factories/units/office spaces functioning and closed down:

The Company is adhering to the guidelines as specified by the Government of India and complying with all safety measures to safeguard its employees from COVID-19 disease.

- i. Plant operations have been partially functional throughout the lockdown period with about 30 % local staff since 28th March, 2020.

- ii. The registered office of the company is situated at Mumbai. We have implemented more on Work from Home policy since lockdown. All office staff are provided with required systems and they all work from home since declaration of lockdown.
- iii. Office staff attend office on need to attend basis only.
- iv. All our Super Stockist and Stockist depots were partially functional throughout the lockdown period with limited local staff, as permitted, and with disrupted logistic service.

d) Steps taken to ensure smooth functioning of operations:

Our Plant & registered office have been sanitized to ensure that all employees are safe and secure. Further, the Company has put in place monitoring procedure against covid-19 as follows:

- a. Thermal Screening of all employees and visitors;
- b. Sanitization of all company premises;
- c. Mandatory wearing of masks at work place;
- d. Taking regular updates on the health of all the employees and their families and
- e. Downloading of “Aarogya Setu app” by all employees.

e) Estimation of the future impact of CoVID-19 on its operations:

Considering the fact that the situation is exceptional and changing dynamically, the Company is not in a position to gauge with certainty, the future impact on its operations. However, the Company is confident about adapting to the changing business environment as per the advisory or guidelines issued by the authorities. We hope that there may be gradual restoration of services and business operations.

f) Details of impact of CoVID-19 on listed entity's :

i. Capital and financial resources:

There is no impact on capital and financial resources.

ii. Profitability:

With substantially reduced level of operations during April, May and uncertain future due to COVID, there will be an impact on profitability of the company.

iii. Liquidity position:

The Company is comfortable in liquidity position.
The Company has been meeting all its financial obligations so far.

iv. Ability to service debt and other financial arrangements:

The Company is in sound financial position.
The Company is free from any debt, and has no financial arrangements, whereby any payment of any nature is due or outstanding to be paid, in future.

v. Demand for its products/services:

Demand for our products is likely to be impacted due to inability of our Medical Representatives to meet Doctors and limitations of Managers to travel.

vi. Supply Chain:

The supply chain, which is partially hampered now, will be normal once the lock down is lifted. However, the freight cost has increased.

vii. Assets:

There is no direct or indirect impact on any of the assets of the Company.

viii. Internal financial reporting and control:

The Company has not encountered / does not foresee any such issue.

- g)** Existing contracts/agreements where non-fulfilment of the obligations by any party will have significant impact on the listed entity's business:

All contracts and agreements currently are fulfilled.
